FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With
Thedford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. E. Whitaker, of this place, "with sick headache, and stomach trouble.

Ten years ago a friend told me to try Thedford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught."

Thedford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

N. C. 123

In the last few days, the Star has spoken of the local business outlook with a dozen or more of our merchants, and each has declared that he found at least a little improvement. Financially affairs are loosening up more and more every day in the northern states and while the South is distant from the great industrial centers that are supplying the European nations with war material, it is bound to feel the influence of the reviving trade; in the meantime, this country has never been so badly off as parts of the north.

Mrs. M. Steele, who has been doing a great deal of charitable work among the orphans of the south, with headquarters at Chattanooga, Tenn., has been in Ocala for some days on her vacation. While in this section she visited the Fessenden Academy, Marion county's brag school for colored children which is under the leadership of Prof. J. L. Wiley. She speaks very highly of the splendid work that is being done at Fessenden. Mrs. Steele has been engaged in her present work for nearly forty years and has expended a large fortune of her own in the cause.

The Murray Company has a regular park of artillery in its north show window. No matter whether your small son sympathizes with Germans or allies, you can fit him out to shoot his sentiments.

W. K. Lane, M. D., Physician and Surgeon, specialist Eye, Ear, Nose and Throat. Law Library Building, Ocala, Fla.

Mr. and Mrs. J. A. Grumbles of Holder were among the out of town people at the "Prince of Tonight" at the Temple theater last evening.

VEGETABLES, MILK AND EGGS from our own farm daily. Open night and day, Merchant's Cafe. tf

Mr. Cannon and Mrs. George Nevill of Dunnellon chaperoned a party of young people who composed a theater party at the Temple last evening to witness the "Prince of Tonight." They returned home in their autos after the play, much pleased with the performance.

TO THE HOUSEWIFE

Madam, if your husband is like most men he expects you to look after the health of yourself and children. Coughs and colds are the most common of the minor ailments and are most likely to lead to serious diseases. A child is much more likely to contract diphtheria or scarlet fever when it has a cold. If you will inquire into the merits of the various remedies that are recommended for coughs and colds, you will find that Chamberlain's Cough Remedy stands high in the estimation of people who use it. It is prompt and effective, pleasant and safe to take, which are qualities especially to be desired when a medicine is intended for children. For sale by all dealers. 3-1-15t

\$15

ENGLISH WOOLEN MILLS CLOTHES

THEY make you feel at ease in the presence of the mightiest. Good Appearance alone may not win you the respect of big men, but it surely will make you "at home" among them. No actor, however great, can play Macbeth at his best in his street clothes. Few men can act, wholeheartedly, act and feel the role of success before strangers if dressed in the costume of failure.

GOOD CLOTHES kindle self-confidence; nothing helps more surely to give that "just right" feeling than a "just right" Suit of Clothes. A well-groomed front is worth more than all the liquid bracers in the world to make a man feel worthy of the best on equal terms with the biggest. The very basic idea of our tailoring is the idea of just right clothes.

IF ALL MEN knew our system there would be no "pretty-nearly-right" dressers. For why should any man take partial satisfaction, when for the one price of

\$15

we will make you a suit that would cost from \$20 to \$30 elsewhere.

WHEN YOU COME to our store you come with the intention of ordering exactly what your body and taste dictate and approve. You pick the woolen you want. We put you "down on paper"—dimension by dimension—for our cutters to follow in cutting your suit, and you buy on a guarantee of ALL WOOL and absolute satisfaction or NO SALE.

OUR TRADE MARK IS EVERY MAN'S SAFEGUARD. If you buy one of our Suits, you will soon see, why so many bankers and business men and men in all walks of life buy our clothes. Because they can get better satisfaction, and better wear and more for their money than any tailor known. Comprising the season's very latest patterns in weaves and colors. All the latest English creations as well as a great variety of staple and domestic woolsens. Call and let us show you what we can give you for the one price of \$15.
